

HAH – Hatch After Hours

- SESSION 3 -

January 28 to March 22, 2019

The PTO is happy to offer Hatch After Hours (HAH). This after-school enrichment program provides fun, creative, and educational activities at Hatch School immediately following the school day.

Registration is online at HatchPTO.org/hatch-after-hours

Early Bird Registration is open January 7 to January 11.

The final **deadline** to sign up for Session 3 is Friday, January 18 at 9 p.m.

*Prices below are listed as Early Bird/Regular prices

Day	Time	*Prices	Grades	Class	Location
Monday (7 classes) No class Feb 18	3:15 – 4:15 p.m.	\$70/\$85	K-5	Hatch Hoops	Gym
		\$85/\$100	K-5	Chess Club	Library
		\$115/\$130	1-5	Let’s Build It	Art Room
		\$105/\$120	K-5	Irish Dancing	Auditorium
		\$155/\$170	5	Steel Drum Band SOCA (SOCA ends 4:30 pm)	Music Room
Tuesday (8 classes)	3:15 – 4:15 p.m.	\$155/\$170	1-5	Little Bits Workshop	Art Room
		\$155/\$170	2-5	Knitting Club	Art Room
		\$135/\$150	K-3	Buddha Belly Kids Yoga	Auditorium
		\$95/\$110	K-2	ROBOTS: cubelets	Library
		\$180/\$195	K-2	(NEW) Tennis	Gym
\$165/\$180	5	Steel Drum Band SOCA (SOCA ends 4:30 pm)	Music Room		
WED (8 classes)	2:30 – 5 p.m.	\$305/\$320	K-5	Drama, Dance, Music: “The Adventures of Captain StarBlaster”	Auditorium
	2:45 - 3:45 p.m.	\$150/\$165	K-5	Experiential Painting	Art Room
		\$100/\$115	K-5	Taekwondo	Gym
		\$165/\$180	K-5	Sticky Fingers	Teacher’s Lounge
	\$165/\$180	4	Steel Drum Calypso	Music Room	
Thursday (7 classes) No class Jan 31	3:15 – 4:15 p.m.	\$70/\$85	3-5	Lights! Camera! Action!	Library
		\$70/\$85	3-5	Calligraphy	Ms Lyles’ room
		\$105/\$120	K-5	Hip Hop & Tumbling (PDOP)	Auditorium
		\$145/\$160	K-5	Mad Science	Art Room
		\$160/\$175	3-5	(NEW) Tennis	Gym
	\$155/\$170	4	Steel Drum Calypso	Music Room	
4:15-5:15 pm	\$130/\$145	4	Steel Drum Calypso	Music Room

Registration is online at HatchPTO.org/hatch-after-hours

(more information & class descriptions on next pages or website)

All prices subject to change until online registration is open.

Registration

- Registration is **ONLY** available online at: HatchPTO.org/hatch-after-hours
- Save **\$15** per class by registering by the Early Bird deadline.
- No registrations will be accepted after the deadline.
- Sorry, no refunds after classes have begun, unless due to cancellation of class.
- All classes are eligible for cancellation due to low registration.
- Price includes any materials fee.
- Any unregistered students who show up for classes will be directed to the main office, and parents will be contacted.

HAVE QUESTIONS? Our email is: HAHquestions@gmail.com
Please note: Emails sent to the PTO's HAH volunteer team MIGHT TAKE AT LEAST 48 HOURS to generate a response, regardless of the issue. Thank you for your patience and understanding.

Logistics

On class days, please send a healthy, NUT-FREE (no peanuts, coconuts or tree nuts) after-school snack for your child. HAH students will be supervised in the auditorium by staff for 15 minutes following the after-school bell. Students are then escorted to their classes. You may pick up your child inside the school by the front office when class is finished. Additional information will be emailed with your class confirmation.

Scholarships

The PTO will continue to offer a limited amount of **need-based scholarships** to Hatch After Hours. All applications will be reviewed by Mrs. Mendez to determine eligibility.

Scholarships will be awarded on a first-come, first-served basis; giving priority to students who have never received a HAH scholarship first, then to students who have not taken the requested HAH class before, and lastly to any additional remaining open scholarship spots. All scholarship recipients must qualify for the reduced lunch program in order to receive a scholarship for HAH. Please note that requesting a scholarship does not guarantee enrollment. Scholarships are limited and will be awarded on a first-come first-serve basis,

To apply for a scholarship, you must check the need based scholarship BOX on your ONLINE registration form to be considered. Please indicate a **first, second and third choice** in the comment section of the online registration. Fail to do so, might push child to be awarded in a next session. We do our very best to accommodate everyone, as each family can receive one scholarship per session/CHILD. The reduced fee of \$25 per class, per student is due with your registration form. It will be returned to you should your child not receive a scholarship for any reason.

Contributions to the HAH Scholarship Fund

We are hoping some families can donate money to fund need-based scholarships for Hatch After Hours. If you are able to help, please check the appropriate box and add the dollar amount to your total on the Registration Form. Any size contribution is greatly appreciated!

DDM Planned Shows:
(Drama, Dance and Music)

NOTE: SHOW day for family is on last Wednesday of each Session at 6 pm

Session 1 — Aladdin JR

Session 2 — Scussical JR

Session 3 - The Adventures of Captain StarBlaster

Session 4 - The Lion King JR

Class Descriptions – Mondays 3:15 – 4:15 p.m.

HATCH HOOPS! With Mr. Cruz K - 5th grade (min. 8 / max. 30)

Mr. Cruz will lead this fun class that will help all kids get ready for Fall basketball! Run and shoot to your heart's content during this hour of action-packed basketball training geared toward any child with an interest in the sport. Learn more about the game of basketball, improve your skills and have tons of fun.

CHESS CLUB With Mr. Righeimer and Ms. Dietmeyer K- 5th grade (min. 10 / max. 36)

Join the Hatch Chess Club to make new friends and hang out with old ones while you learn and play the game of Chess. Mr. Righeimer teams up this year with Ms. Dietmeyer to teach specific strategies and rules and coach the club. The format will alternate between structured learning and free play.

LET'S BUILD IT! Mighty Machines! By Learning Means Fun (Min. 5 / max 15) 1-5th Graders

Let's Build It - Chain Reaction in Action! The ball rolls down the ramp, turns the switch, that moves the post, that activates the zip-line, that knocks the ball down the ramp and into the goal! In this STEAM program, students will be building Rube Goldberg "Mouse Trap" chain-reaction machines featuring levers, pulleys, and other simple machines. Engineering and physics concepts will be introduced and reinforced through hands-on, innovative lessons and creative play time. Problem solving skills and teamwork will be put to the test as the complexity of the projects increases from week to week. On the final class, there will be a building competition - How many contraptions can you connect in chain reaction? No previous experience is necessary, just a desire to learn and build. Each student will receive an award on the last day of the session, and have the opportunity to earn Energy Belts to demonstrate their learned skills!

IRISH DANCING With Sarah Dolan K - 5th grade (min. 5 / max. 12)

Maiden Street School Irish Dance Academy offers an opportunity for students to expand their dancing skills in a creative and fun environment. Our school focuses a great deal of effort on fine-tuning the fundamentals while still challenging our students with learning new steps and figure dances for performances. Students will learn the traditional Irish Jig, Reel and various Ceili (group) dances. Sarah has taken part in Irish dancing since she was 4 years old and has been teaching for ten years. Comfortable clothing along with ballet slippers, jazz shoes, or soft gym shoes are requested.

Class Descriptions – Mondays 3:15 – 4:30 p.m.

SOCA HATCH STEEL DRUM BAND – With Mr. Jacobson Soca 5th grade (min. 6 / max. 18)

This class is designed for 5th grade students who participated in Steel Band in 4th grade and are interested in continuing. In this class, students will focus on steel pans and learn songs/grooves/styles from Africa, Brazil, and the Caribbean, including Soca (modern style of music from Trinidad and Tobago). This class will move at a more advanced pace and the material covered will build cumulatively, so committed involvement is necessary. When registering, please refer to the email you received for the correct day and time.

Class Descriptions – Tuesdays 3:15 – 4:15 p.m.

LITTLE BITS WORKSHOP *By Little Bits Workshop 1st - 5th grade (min. 8 / max. 20)*

PeaceCraft: This session we are going to give kids a calming tool while teaching them skills such as Kumihimo weaving (friendship bracelets), art journaling & zen tangle, crochet and cross stitch. Our hope is that kids will get hooked on crafts and be more likely to reach for them than an electronic device. For this reason, Crafters will be encouraged to take these craft projects home with them each week to fill the dull moments. Another component of this workshop will be to give. So there may be a project that everyone creates together and gives away to a good cause.

KNITTING CLUB *By Little Bits Workshop 2nd - 5th grade (min. 8 / max. 20)*

Knitting Club is for beginners and advanced knitters. Susan will help each student at their level to create a project that they want to make. Knitting is an amazing skill to have and the perfect way to keep hands and minds busy and productive.

BUDDHA BELLY KIDS YOGA *By Buddha Belly Kids Yoga K - 3rd grade (min. 5 / max. 12)*

Buddha Belly Kids Yoga (BBKY) is excited to offer our *Big Buddhas*. BBKY is dedicated to nurturing kids' innate desire for movement and play. Yoga is introduced through thematic classes. We explore yoga through co-created poses, partner yoga, stretching, storybooks, dance, singing and games. Children have the opportunity to let their creativity flow through our co-creation model. This allows participants to share their ideas with others and add to the spontaneity of the class. We incorporate traditional yoga poses and sequences and conclude with relaxation techniques to deepen self-awareness and increase children's overall yoga practice. Most importantly, we focus on having fun while finding the magic of yoga!

ROBOTS: CUBELETS *By Ms. Wrenn and Ms. Howe K-2nd grade (min.10 / max. 24)*

REVAMPED! This class is for K-2nd graders who want to explore Cubelets which will develop Problem-Solving skills and Computational Thinking. Spark the next generation of innovators by introducing procedural thinking, cause and effect, decomposition of complex tasks, pattern recognition and the ability to notice similarities or common differences, abstraction and algorithm design and the ability to develop a step-by-step strategy for solving a problem, all using Cubelets robots. Cubelets are magnetic robot blocks that can be snapped together to make an endless variety of robots with no programming and no wires. You can build robots that drive around on a tabletop, respond to light, sound, and temperature, and have surprisingly lifelike behavior. Endless Possibilities, Endless Fun, Endless Learning. On top of that, students will have the opportunity to explore other robots like Dot & Dash and Sphero!

TENNIS *By Tennis on The Lake K - 2nd grade (min. 6 / max. 18)(New)*

Whether your child had taken tennis classes in the past or is new to the sport, join the pros from the Tennis and Fitness Centre for this exciting new program! They will be using the QuickStart method to provide children the opportunity to succeed hitting a ball while developing the muscle memory of proper tennis form. Don't have a racket or worried that (you or) your child will forget it at home? No worries -- the tennis pros will bring plenty of kid-sized rackets each week.

Class Descriptions – Tuesdays 3:15 – 4:30 p.m.

SOCA STEEL DRUM BAND – *With Mr. Jacobson 5th grade (min. 6 / max. 18)*

This class is designed for 5th grade students who participated in Steel Band in 4th grade and are interested in continuing. In this class, students will focus on steel pans and learn songs/grooves/styles from Africa, Brazil, and the Caribbean, including Soca (modern style of music from Trinidad and Tobago). This class will move at a more advanced pace and the material covered will build cumulatively, so committed involvement is necessary. When registering, please refer to the email you received for the correct day and time.

Class Descriptions – Wednesdays 2:45 – 3:45 p.m.

Experiential Painting *By Creative Changes Studio/Terry Mueller K - 5th grade (min. 6 / max. 15)*

Kids of all ages thrive when their creative expression is nurtured. They learn to trust their inner voice and develop confidence in themselves. Experiential Painting gives children the opportunity to create in a safe and non-judgmental environment where they are encouraged to explore, express and learn to connect with their inner pool of creativity. This class is designed for children to repeat over and over, as their creativity continually blossoms and every session has new lessons and games that help open their creative process. Ideal for all age groups and abilities.

TAEKWONDO *By Flying V Athletic Center K - 5th grade (min. 6 / max. 20)*

Our Taekwondo classes offers a total fitness program integrating mind, body and spirit. The program focuses on improving not only basic motor skills, but developing students' confidence, self-esteem, discipline, respect and focus. Furthermore, our program consists of a balanced cardiovascular workout, including punching, kicking, and blocking skills while using self-control and the Taekwondo tradition. Participants will improve coordination, power of concentration, balance, and both physical and mental discipline. The program will encourage students' sense of commitment and persistence in the face of challenges while helping them enter society with a more confident and enthusiastic outlook.

STICKY FINGERS *By Sticky Fingers Cooking K - 5th grade (min. 8 / max. 12)*

Let your child release their inner chef! Students will prepare and eat healthy, international inspired recipes all while learning to cook in a fun, engaging, hands-on and real-world way! Our professional chef instructors will reinforce kitchen skills associated with our weekly recipes and emphasize each area of cooking: From discovering new cooking techniques, using the freshest ingredients, learning fun nutrition facts (*even a few bad food jokes!*) as we practice proper measurements, while using a wide array of cooking utensils all while preparing incredible culinary creations together.

Your kids will have a blast each and every week discovering how easy and fun it is to cook tasty, healthy, American classics and globally-inspired Sticky Fingers Cooking recipes! Sticky Fingers Cooking offers young chefs the chance to explore exciting tastes, master culinary skills (*that they can put to use in family kitchens!*) and nourish their bodies and minds. We provide all of the tools, ingredients and instruction needed to cook up a fun, delicious and healthy after-school hardy snack each week.

Calypso GROUPS - TWO CLASSES! HATCH STEEL DRUM BAND – *With Roy and Scott 4th grade (min. 6 / max. 18)*

This class is designed for 4th grade beginners who are interested in getting started in the Conga Club program. This class will use drums, xylophones and steel pans to teach rhythm, melody/harmony, music reading and ensemble skills. When registering, please refer to the email you received for the correct day and time. **Note: One class meets at 2:45-3:45 and one class meets at 3:45-4:45. Second class entrance by Playground door (music room).**

Class Descriptions – Wednesdays 2:30 – 5:00 p.m.

DRAMA, DANCE, MUSIC “The Adventures of Captain StarBlaster” *By Infinity Arts Academy K - 5th grade (min. 10 / no max.)*

It's an action-packed, sci-fi spoof that packs a hilarious punch! Ten thousand years in the future, the galaxy stands in peril. Hostile aliens, sinister thugs, and strange forces seem to lurk at every turn. But one man stands between the galaxy scheming, and from a doo-wop lament to a rousing alien dance extravaganza, Galaxy Flakes cereal for everyone?

Class Descriptions – Thursdays 3:15 – 4:15 p.m.

LIGHTS, CAMERA, ACTION! With Mr. Righeimer 3rd - 5th grade (min. 6 / max. 20)

Have you ever thought being a filmmaker? Join us on an adventure that teaches students the different parts necessary in making a movie. Students will learn how to write, act, film, direct, design, and edit a movie. You will learn how to use iMovie and other applications to create an original film that will premiere at Hatch.

CALLIGRAPHY With Ms Lyles 3rd - 5th grade (min. 6 / max. 20)

Join Ms. Lyles in learning about the beautiful art of Calligraphy. You will learn how to hold a calligraphy pen. Hopefully you will develop your handwriting and become very good at creating posters. Knowing how to write in cursive is NOT a requirement, but it would help in this class.

HIP HOP & Tumbling By PDOP K-5th Grade (min. 8/ max. 20).

Dancers will learn the fundamentals of hip hop and tumbling in this energetic and fun fusion dance class! Hip Hop choreography skills of House, Steppin' and isolations with shoulder freezes and basic tumbling and conditioning for dancers.

MAD SCIENCE By Mad Science K - 5th grade (min. 10 / max. 20)

Secret Agent Lab- Look out 007^{1/2} — the Mad Science spy academy is in session! Students will have the opportunity to check out spy equipment and even create their own disappearing messages! Young investigators will step into the shoes of a detective and uncover the science involved in evidence gathering and analysis. They will explore forensic science in a hands-on look at crime scene investigation! Suspects, schematics, and sleuths... oh my!

TENNIS By Tennis on The Lake 3rd - 5th grade (min. 6 / max. 18)(New)

Whether your child had taken tennis classes in the past or is new to the sport, join the pros from the Tennis and Fitness Centre for this exciting new program! They will be using the QuickStart method to provide children the opportunity to succeed hitting a ball while developing the muscle memory of proper tennis form. Don't have a racket or worried that (you or) your child will forget it at home? No worries -- the tennis pros will bring plenty of kid-sized rackets each week.

Calypso GROUPS - TWO CLASSES! HATCH STEEL DRUM BAND – With Roy and Scott 4th grade (min. 6 / max. 18)

This class is designed for 4th grade beginners who are interested in getting started in the Conga Club program. This class will use drums, xylophones and steel pans to teach rhythm, melody/harmony, music reading and ensemble skills. When registering, please refer to the email you received for the correct day and time. **Note: One class meets at 3:15-4:15 and one class meets at 4:15-5:15. Second class entrance by Playground door (music room).**

Class Descriptions – Fridays at 3:15 – 4:15 p.m.

YOUNG REMBRANDTS DRAWING *By Young Rembrandts K – 5th grade (min. 5 / max. 15 students)*

Enroll your elementary student in a Young Rembrandts drawing class. Our bountiful selection of drawings introduces our students to a fascinating world of color, pattern, and design. Keeping with the season, our students will create fall-themed illustrations like taffy apples and a farmer’s scarecrow. Stylized art styles will be explored through our tarantula line art and Van Gogh-inspired drawing featuring vibrant sunflowers. All this and more await your child in a Young Rembrandts classroom!

SUPER STAR SPORTS *By Legacy Sports Camp K - 3rd grade (min. 10 / max. 20)*

Gym Games. Our most popular program that includes variations of traditional gym games like relay races, tag, capture the flag, dodgeball, soccer as well as our popular Legacy games like Hand Hockey, Illinois Jones and Battleship.

Board Game Club *By Ms. Klemp K-5th (min. 5 / max. 15)(New)*

Instantly cure Friday afternoon boredom by joining Ms. Klemp and other students in the art room for some friendly competition. Board Game Club focuses on getting back to entertainment without using electronic devices. Students will enjoy learning to play new and classic board games suitable for K-5 gamers. The atmosphere is relaxed and stress free.

ROBOTS: CUBELETS-PLUS *By Ms. Wrenn and Ms. Howe 3rd-5th Graders (min.10 / max. 24)*

REVAMPED! This class is for 3rd - 5th graders who want to explore Cubelets which will develop Problem-Solving skills and Computational Thinking. Spark the next generation of innovators by introducing procedural thinking, cause and effect, decomposition of complex tasks, pattern recognition and the ability to notice similarities or common differences, abstraction and algorithm design and the ability to develop a step-by-step strategy for solving a problem, all using Cubelets robots. Cubelets are magnetic robot blocks that can be snapped together to make an endless variety of robots with no programming and no wires. You can build robots that drive around on a tabletop, respond to light, sound, and temperature, and have surprisingly lifelike behavior. Endless Possibilities, Endless Fun, Endless Learning. On top of that, students will have the opportunity to explore other robots like Dot & Dash and Sphero!

THEATER GAMES/IMPROV *By Infinity Arts Academy K - 5th Graders (min. 8 / max. 20)*

Students are welcome to join Ms. Dina Monk for a variety of theatre games-movement games, improv games, character games, and games that are just plain fun. No experience necessary.

HATCH DRUMMING *By David Oromaner K-3rd grade (min. 10 / max. 15)*

Students will explore drumming and rhythm using their bodies, bucket drums, and various percussion instruments. Listening and collaboration will be emphasized while students work towards building percussion ensemble pieces. Students will learn concepts such as form, dynamics, tempo, and musicality. No experience is necessary to participate! David is a future Hatch parent (2019) and professional drummer with a diverse NY and CA background. He has been teaching kids drums privately since 2010.

Distribution of information by a community group in accordance with District 97 policy does not imply, directly or indirectly, that the group's program(s), event(s) and/or service(s) is sanctioned, sponsored or endorsed by the district, the Board of Education or the superintendent.
