HAVE QUESTIONS? Our email is: HAHquestions@gmail.com

Please note: Emails sent to the PTO's HAH volunteer team MIGHT TAKE AT LEAST 48 HOURS to generate a response, regardless of the issue. Thank you for your patience and understanding.

Logistics

On class days, please send a healthy, NUT-FREE (no peanuts, coconuts or tree nuts) after-school snack for your child. HAH students will be supervised in the auditorium by staff for 15 minutes following the after-school bell. Students are then escorted to their classes. You may pick up your child inside the school by the front office when class is finished. Additional information will be emailed with your class confirmation.

Scholarships

The PTO will continue to offer a limited amount of **need-based scholarships** to Hatch After Hours. All applications will be reviewed by Mrs. Mendez to determine eligibility.

Scholarships will be awarded on a first-come, first-served basis; giving priority to students who have never received a HAH scholarship first, then to students who have not taken the requested HAH class before, and lastly to any additional remaining open scholarship spots. All scholarship recipients must qualify for the reduced lunch program in order to receive a scholarship for HAH, or communicated Financial Hardship Letter to the HAH team. Please note that requesting a scholarship does not guarantee enrollment. Scholarships are limited and will be awarded on a first-come first-serve basis.

To apply for a scholarship, you must check the need-based scholarship BOX on your ONLINE registration form to be considered. Please indicate a **FIRST, SECOND and THIRD choice** in the comment section of the online registration. Fail to do so, might push the child to be awarded in the next session. We do our very best to accommodate everyone, as each family can receive one scholarship per session/CHILD. The reduced fee of \$25 per class, per student, is due with your registration form. It will be returned to you should your child not receive a scholarship for any reason.

Contributions to the HAH Scholarship Fund

We are hoping some families can donate money to fund need-based scholarships for Hatch After Hours. If you are able to help, please check the appropriate box and add the dollar amount to your total on the Registration Form. Any size contribution is greatly appreciated! Last year, our PTO, your contributions and support from Vendors, were able to fund ALL scholarships for families in need.

DDM Planned Shows:
(Drama, Dance and Music)

Session 1 – Mulan, JR

Session 2 - School House Rock LIVE, JR

Session 3 - Peter Pan, JR

Session 4 - Alice@Wonderland, The Musical

Class Descriptions – Mondays 3:15 – 4:15 p.m.

HATCH HOOPS! With Mr. Cruz K - 5th grade (min. 8 / max. 30)

Mr. Cruz will lead this fun class that will help all kids get ready for Fall basketball! Run and shoot to your heart's content during this hour of action-packed basketball training geared toward any child with an interest in the sport. Learn more about the game of basketball, improve your skills and have tons of fun.

MathHERmatics YOGA With Ms. Kruse 3 - 5th grade (min. 7 / max. 14) (NEW)

This class pairs yoga/mindfulness and math in an effort to boost confidence in girls. Studies show that around late elementary school girls begin to think negatively about their math abilities. Building mental and emotional strength in the practice of yoga is a good way to combat that negativity and help build self confidence. Yoga mats will be supplied.

CHESS CLUB With Mr. Righeimer K- 5th grade (min. 10 / max. 36)

Join the Hatch Chess Club to make new friends and hang out with old ones while you learn and play the game of Chess. Mr. Righeimer teams up this year with Ms. Dietmeyer to teach specific strategies and rules and coach the club. The format will alternate between structured learning and free play.

IRISH DANCING With Maiden Street Irish Dance Academy K - 5th grade (min. 6 / max. 25)

Maiden Street Irish Dance Academy offers an opportunity for students to expand their dancing skills in a creative and fun environment. In 2007, Sarah Dolan established the Maiden Street Irish Dance Academy to honor her Irish heritage. Our school continues today to focus on the traditional forms of Irish Dance and stresses the simple elegance of the Irish music and culture. The students will perform at the end of year talent show as well as march in the Forest Park St. Patrick's Day Parade. No special clothing or shoes are needed but ballet or jazz shoes (or Irish Dance shoes) are great.

LET'S BUILD IT! Snap circuits: Crazy circuits By Learning Means Fun (Min. 5 / max 15) 1-5th Graders

Snap Circuits: Crazy Circuits is an exhilarating, cutting-edge area of engineering. In this unit, students will design, build, and test various circuits and electronic projects. Instructors will guide students through core concepts of electrical engineering, introducing them to circuits and electrical components. Students will use hands-on projects and experiments to explore how electricity is part of our daily lives. No previous experience is necessary, just a desire to learn and build. Projects will include: a disc launcher, electronic games, musical instruments, alarms, and more, along with fun-filled class activities! Each student will receive an award on the last day of the session, as well as the opportunity to earn Energy Belts to demonstrate their learned skills!

SOCA HATCH STEEL DRUM BAND – With Mr. Jacobson Soca 5th grade (min. 12 / max. 19)

This class is designed for 5th grade students who participated in Steel Band in 4th grade and are interested in continuing. In this class, students will focus on steel pans and learn songs/grooves/styles from Africa, Brazil, and the Caribbean, including Soca (modern style of music from Trinidad and Tobago). This class will move at a more advanced pace and the material covered will build cumulatively, so committed involvement is necessary.

PLEASE NOTE: PARENTS, please register your kids to the same class every HAH session. There is a continuity on taking these music classes. Thank you.

Class Descriptions – Tuesdays 3:15 – 4:15 p.m.

HATCH DRUMMING *By David Oromaner K-2nd grade (min. 10 / max. 15)*

Students will explore drumming and rhythm using their bodies, bucket drums, and various percussion instruments. Listening and collaboration will be emphasized while students work towards building percussion ensemble pieces. Students will learn concepts such as form, dynamics, tempo, and musicality. No experience is necessary to participate! David is a Hatch parent and professional drummer with a diverse NY and CA background. He has been teaching kids drums privately since 2010 and Drums at Hatch since 2018.

BUDDHA BELLY KIDS YOGA *By Buddha Belly Kids Yoga K - 3rd grade (min. 5 / max. 12)*

Buddha Belly Kids Yoga (BBKY) is excited to offer our *Big Buddhas*. BBKY is dedicated to nurturing kids' innate desire for movement and play. Yoga is introduced through thematic classes. We explore yoga through co-created poses, partner yoga, stretching, storybooks, dance, singing and games. Children have the opportunity to let their creativity flow through our co-creation model. This allows participants to share their ideas with others and add to the spontaneity of the class. We incorporate traditional yoga poses and sequences and conclude with relaxation techniques to deepen self-awareness and increase children's overall yoga practice. Most importantly, we focus on having fun while finding the magic of yoga!

LITTLE BITS WORKSHOP *By Little Bits Workshop 1st - 5th grade (min. 8 / max. 20)*

FINE ART SUMMER SNAPSHOTS

Capture Summer with the art of Van Gogh, Warhol and Hockney. It's so hard to let go of summer and with all our memories stashed in our phones, many of us never get around to printing photos. Stop for 15 minutes and print out 3-5 favorite summer memories on your home printer (8.5X11). Send them with your kids to our fall session and we will use your photos for reference material while learning about 3 famous artists. Your kids will learn about the lives of these artists and how to draw and paint in their style. Students will bring home 3 keepsakes for your home gallery and gain a little bit of art appreciation too!!

KNITTING CLUB *By Little Bits Workshop 2nd - 5th grade (min. 8 / max. 20)*

Knitting Club is for beginners and advanced knitters. Susan will help each student at their level to create a project that they want to make. Knitting is an amazing skill to have and the perfect way to keep hands and minds busy and productive.

SOCA STEEL DRUM BAND- TWO CLASSES! – *With Mr. Jacobson 5th grade (min. 12 / max. 19)*

This class is designed for 5th grade students who participated in Steel Band in 4th grade and are interested in continuing. In this class, students will focus on steel pans and learn songs/grooves/styles from Africa, Brazil, and the Caribbean, including Soca (modern style of music from Trinidad and Tobago). This class will move at a more advanced pace and the material covered will build cumulatively, so committed involvement is necessary. **Note:** One class meets at 3:15-4:30 and one class meets at 4:30-5:45. Dismissal from first class, and entrance to second class by Playground door (music room).

PLEASE NOTE: PARENTS, please register your kids to the same class every HAH session. There is a continuity on taking these music classes. Thank you.

Class Descriptions – Wednesdays 2:45 – 3:45 p.m.

TAEKWONDO *By Flying V Athletic Center K - 5th grade (min. 6 / max. 20)*

Our Taekwondo classes offers a total fitness program integrating mind, body and spirit. The program focuses on improving not only basic motor skills, but developing students' confidence, self-esteem, discipline, respect and focus. Furthermore, our program consists of a balanced cardiovascular workout, including punching, kicking, and blocking skills while using self-control and the Taekwondo tradition. Participants will improve coordination, power of concentration, balance, and both physical and mental discipline. The program will encourage students' sense of commitment and persistence in the face of challenges while helping them enter society with a more confident and enthusiastic outlook.

Experiential Painting *By Creative Changes Studio/Terry Mueller K - 5th grade (min. 6 / max. 15)*

Kids of all ages thrive when their creative expression is nurtured. They learn to trust their inner voice and develop confidence in themselves. Experiential Painting gives children the opportunity to create in a safe and non-judgmental environment where they are encouraged to explore, express and learn to connect with their inner pool of creativity.

This class is designed for children to repeat over and over, as their creativity continually blossoms and every session has new lessons and games that help open their creative process. Ideal for all age groups and abilities.

STICKY FINGERS *By Sticky Fingers Cooking K - 5th grade (min. 8 / max. 12)*

THYME to TURNIP the BEET on WHAT KIDS EAT™-BUDDING MaSTIR CHEF AFTER-SCHOOL COOKING CLASSES at HATCH

Let your children release their inner masterchef!

We're whipping up some fresh and tasty content for your budding kid chef this season by focusing on 3 super fun COOL-inary themes in our after-school cooking class sessions:

FUN-da-mentals: In our first class, your kid chef will develop confidence in the kitchen by learning the FUN-da-mentals: measuring, mixing, mashing, blending, and more! These skills set the foundation for cooking and baking, and students will learn these skills while creating a delicious sweet treat with a nutritious twist!

Kitchen Tools PhD: In subsequent classes, students will move on to earning their Kitchen Tools PhD! Recipes provide tons of engaging and tactile learning for kids to perfect their dicing, slicing, mincing, grating, folding and chopping with a wide variety of kitchen tools, from graters and immersion blenders to whisks, wooden spoons and kid-safe kitchen knives. These kitchen tools help develop and hone fine motor skills as kid chefs prepare savory recipes together with their peers.

COOL-inary Confidence: Students will also learn to "Cook Off the Cuff" for several classes and develop their COOL-inary Confidence with fun & flexible recipes that let them choose the vegetables, herbs, and spices from a bundle of colorful and tasty options. Each hands-on, real-world class will encourage your young chef to engage all of their 5 senses while expressing their own unique culinary creativity, trying new foods, and thinking about how each component will contribute to their own tasty recipe masterpiece in the end!

Calypso GROUPS -HATCH STEEL DRUM BAND – *With Roy and Scott 4th grade (min. 12 / max. 16)*

This class is designed for 4th grade beginners who are interested in getting started in the Conga Club program. This class will use drums, xylophones and steel pans to teach rhythm, melody/harmony, music reading and ensemble skills. When registering, please refer to the email you received for the correct day and time. Note: One class meets at 2:45-3:45 and one class meets at 3:45-4:45. Second class entrance by Playground door (music room).

PLEASE NOTE: PARENTS, please register your kids to the same class every HAH session. There is a continuity on taking these music classes. Thank you.

Wednesdays 2:30 – 5:00 p.m.

DRAMA, DANCE, MUSIC "Mulan JR." *By Infinity Arts Academy K - 5th grade (min. 10 / no max.)*

Mulan Jr. is a one-act stage musical based on the 1998 Disney animated film Mulan, [1] which in turn was based on the Chinese legend of Hua Mulan and the story "Fa Mulan" by Robert D. San Souci. The adaptation mixes songs featured in the 1998 film as well as deleted songs from the film, including the revival of songs written by Stephen Schwartz, who was the original composer for the 1998 film before leaving to work on The Prince of Egypt.

Rehearsal at IAA: 10/20 12:00-3:00 p.m.

Show Day: 11/6 -1:00 p.m. show for the School, 6:00 p.m. show for parents.

Class Descriptions – Thursdays 3:15 – 4:15 p.m.

COMIC BOOK CLUB (formerly Cartooning Club) With Ms Klemp 3rd-5th grade (min. 6 / max 15)

Do you enjoy cartooning and comic books? Are you an avid storyteller? Calling all 3-5th grade authors and illustrators to join Comic Book Club, an art class that meets once a week to bring action and adventure to life! We will discover new drawing methods, multiple mediums and a variety of styles as we dive into the courageous world of character design, plot development and dynamic drawing!

LIGHTS, CAMERA, ACTION! With Mr. Righeimer 3rd - 5th grade (min. 6 / max. 20)

Have you ever thought of being a filmmaker? Join us on an adventure that teaches students the different parts necessary in making a movie. Students will learn how to write, act, film, direct, design, and edit a movie. You will learn how to use iMovie and other applications to create an original film that will premiere at Hatch.

HIP HOP & Tumbling By PDOP K-5th Grade (min. 8/ max. 20).

Dancers will learn the fundamentals of hip hop and tumbling in this energetic and fun fusion dance class! Hip Hop choreography skills of House, Steppin', and isolations with shoulder freezes and basic tumbling and conditioning for dancers. Parents and childcare providers are also invited to the last class at Hatch for a studio performance.

KUUMBA DANCE By Kuumba Kids Dance K-5th Grade (min. 8/ max. 15) (NEW)

Kuumba Kids Dance offers a cultural enrichment opportunity by teaching arts through education. In 2006, Donna Callender established the Kuumba Kids Dance LLC in seeing a need for enrichment of the African diaspora in District 97 Donna, a native of Barbados who had been dancing since the age of 3, decided to share her talents with the community. The students will put on a showcase at the end of each 8-week session. Uniform for girls and boys are no jeans, but comfortable loose clothing. Students will receive a t-shirt for the 2019-2020 program year.

PLEASE NOTE: PARENTS, please register your kids to the same class every HAH session. There is continuity in taking these dance classes.

TENNIS By Tennis on The Lake K - 5th grade (min. 6 / max. 18)(New)

Whether your child had taken tennis classes in the past or is new to the sport, join the pros from the Tennis and Fitness Centre for this exciting new program! They will be using the QuickStart method to provide children the opportunity to succeed in hitting a ball while developing the muscle memory of proper tennis form. Don't have a racket or worried that (you or) your child will forget it at home? No worries -- the tennis pros will bring plenty of kid-sized rackets each week.

Calypso GROUPS - TWO CLASSES! HATCH STEEL DRUM BAND – With Roy and Scott 4th grade (min. 12 / max. 16)

This class is designed for 4th grade beginners who are interested in getting started in the Conga Club program. This class will use drums, xylophones and steel pans to teach rhythm, melody/harmony, music reading and ensemble skills. When registering, please refer to the email you received for the correct day and time. Note: One class meets at 3:15-4:15 and one class meets at 4:15-5:15. Class Descriptions – Fridays at 3:15 – 4:15 p.m.

CODING AND ROBOTICS *By Ms. Howe and Ms Chan 2-5 grade (min.10 / max. 15)(New)*

This class is for all who want to explore and engage in various coding opportunities! We will be exploring Cubelets, which are magnetic robot blocks that can be snapped together to make an endless variety of robots with no programming and no wires. We will also use Sphero, Ozobots, Dot and Dash Robots to complete a variety of challenges. We will also dig into Scratch and Scratch Jr. to learn how to code on the computer and iPad. All of these opportunities will develop the student's Problem-Solving skills and Computational Thinking while having fun!

YOUNG REMBRANDTS DRAWING *By Young Rembrandts K – 5th grade (min. 5 / max. 15 students)*

Our elementary-aged curriculum is designed to teach basic to advanced drawing skills, art techniques and vocabulary. We believe that drawing is the bedrock skill required for future artistic success. We give them skills to express their creativity and believe that all children can - and should - learn to draw. We provide all supplies and teach new lessons each week in a positive and nurturing environment, bringing out the best in each child. Students will thrive with increased art abilities, learning skills, self-confidence and self-esteem.

Back-to-school is in full swing at Young Rembrandts, as we present drawing lessons that encompass a fascinating world of color, pattern, and design. Students will strengthen their marker rendering skills as they draw a detailed gumball machine. A drawing of a sandwich will make them hunger for more art. We'll travel back in time to the age of the pharaohs as we illustrate a decorative, Egyptian headdress. An illustration celebrating the fall season will introduce our colorists to warm and cool colors. All this and more await your child in a Young Rembrandts classroom!

SUPER STAR SPORTS *By Legacy Sports Camp K - 3rd grade (min. 10 / max. 20)*

Gym Games. Our most popular program that includes variations of traditional gym games like relay races, tag, capture the flag, dodgeball, soccer as well as our popular Legacy games like Hand Hockey, Illinois Jones, and Battleship.

THEATER GAMES/IMPROV *By Infinity Arts Academy K - 5th Graders (min. 8 / max. 20)*

Students are welcome to join Ms. Dina Monk for a variety of theatre games-movement games, improv games, character games, and games that are just plain fun. No experience necessary.

HATCH DRUMMING *By David Oromaner 2nd-3rd grade (min. 10 / max. 15)*

Students will explore drumming and rhythm using their bodies, bucket drums, and various percussion instruments. Listening and collaboration will be emphasized while students work towards building percussion ensemble pieces. Students will learn concepts such as form, dynamics, tempo, and musicality. No experience is necessary to participate! David is a Hatch parent and professional drummer with a diverse NY and CA background. He has been teaching kids drums privately since 2010 and Drums at Hatch since 2018.

MAD SCIENCE *By Mad Science K - 5th grade (min. 10 / max. 20)*

Join Mad Science for science fun! Explore the world of Bugs, learn crime-solving techniques in Detective Science, see the secrets of Movie Effects, discover the science behind some of your favorite Toys and much more!
